

Junior Prize Giving 2024

On Tuesday, December 10th, 2024, we celebrated the impressive accomplishments of our Junior students from Year 9 and Year 10 in a vibrant ceremony held in the school hall. The event included lively performances by our talented music students, creating a joyful atmosphere for all attendees. The highlight was the award ceremony, where each junior award winner was recognised, receiving trophies and certificates in front of cheering family members.

We congratulate all the junior award winners and their families for their dedication and achievements. Thank you to everyone who joined us to celebrate this important milestone. We are excited to see what the future holds for these remarkable individuals!

Highest Academic Achiever - Melanie Degarnham Year 10

**Highest Academic Achiever
Junior Mulipola-Temple and Lykyn Mackie-Whanga Year 9**

He Puaawai Celebration

It has been another busy and fulfilling year for our He Puaawai whaanau. Here at He Puaawai, we know that the little wins really are the big wins. It is the little things that add up, that count, and that create change. We see how our young parents support each other, how they step up as sisters and aunties and we see the awhi and the love that they show all our babies.

This year, we have welcomed new parents, celebrated the births of little ones, and marked significant milestones. We have learned and grown together. Juggling parenting alongside pursuing academic excellence is no easy task, and the courage of our He Puaawai learners to pursue this journey is unmatched. All of our young parents deserve congratulations for their resilience and achievements.

Nau mai haere mai! Welcome to Fraser!

Part of the whaanau

On the 30th and 31st of January, we joyfully welcomed our new Year 9 students and their whaanau to our kura with a poowhiri. It was a heartwarming occasion, filled with laughter and excitement as we embraced the start of a new school year. The atmosphere was brimming with energy, and it was wonderful to see everyone back, refreshed and ready to learn after a blissful summer break under the sun. We wrapped up our Year 9 Start Days with a lively session of tabloid sports. The friendly competition brought an air of exhilaration, allowing students to bond, forge new friendships, and create lasting memories. The following Monday February 3 we shared our first official day as a whole school.

Meet Our Head Students

It is with pleasure that we announce the Fraser High School Head Students for 2025 pictured from left to right: Emilia Herrera-Kennedy, Ashana-Rae Eketone, Levi Smith, and Siakumi Fakavai. This group of young leaders is full of potential and we can't wait to see how their leadership skills continue to shine this year.

Here is a message from one of our head students:

"Hello everyone, I'm Emilia, and I am thrilled to be one of your head students for 2025. Over the course of the year, I hope to meet and connect with as many of you as possible, whether that be through a friendly conversation or answering any questions you may have. I am excited to discover all the great things this year has to offer everyone. I am filled with gratitude to witness your growth as we continue on our paths at Fraser and build a wonderful year together."

Youth National Touch Championships 2025

From Friday 7th to Sunday 9th February 2025, at Pulman Park, Auckland, the Youth National Touch Championship took place. We are proud to have had 9 Fraser students compete in the tournament and we'd also like to acknowledge some of our past students who are also competing at this national level. It is great seeing our students pursue their passions in sport. Tournaments and competitions like this are great ways to strengthen character, build relationships, and develop skills.

Last year's junior sportsperson of the year Russy Elkington played for the Waikato Under 16s Team and finished 4th. Sonny Ray Raheke-Rahui played in the Waikato Under 16 Development Team. In the Waikato Under 16 Mixed Team there were 6 Fraser students TJ Simon, Michael Kerehoma Ahuriri, Willym Muru Cooper, Hineana Kahi-Watene, Wairemu Herbert, and the team placed 6th. Malachi Ormsby competed in the Waikato Under 18 Boys Team and they placed 4th. Teina Hepi played in the Waikato Under 18 Girls Team, they placed first and won gold.

We also have a few Fraser Alumni and current students playing in the Waikato 21 Mixed Team which will compete in the next few weeks Sani Lemaua, Noah Tomu, Tiualu Makoni and Kaiya Williams along with a current student Luca Van Den Berg.

Check out the games on the game recordings on the Touch Nationals website and there will be highlights coming to Instagram soon.

We Are the Moana

This year's Aiga Tasi Fiafia Night, titled "We Are the Moana," was a vibrant celebration of our Pacific languages, culture, and identity. The highlight of the evening were the Miss A1 representatives, who showcased the beauty and uniqueness of each of our island nations through stunning performances and cultural displays.

Families and students gathered to share their pride in our heritage, enjoying traditional dances, songs, and storytelling that brought our cultures to life.

"We Are the Moana" celebrated our diversity and strengthened our community bonds. It was a night filled with joy and inspiration, reminding us of the importance of embracing and preserving our rich traditions.

Apollo Projects Sports Grant

Supporting our sports community

APPLY NOW

Thank you Apollo Projects

for supporting our sports community with the Apollo Projects Sports Grant!

We strongly encourage our students to apply for the Apollo Projects Sports Grant which is up to \$500 per applicant per annum. The sponsorship is a great way to enable all students to participate in sports; to make sport a healthy lifestyle choice, at school, and throughout their life.

For more information or to apply please check the Newsheet or find the application link on our Fraser High School social media.
